FOREST ACTIVITIES UNDER FOREST WING

OF

T T A A D C

KHUMULWNG

Forestry Development activities, under Forest wing of TTAADC.

Introduction: - The Geographical area of Tripura is 10,491 .Sq Kms out of which 7132.5 Sq Km. under Tripura Tribal Areas Autonomous District Council (TTAADC). In term of percentage it is more than 66%.20 % of the state's populations are living in TTAADC who are socio –economically backward and mostly depend on Forestry resources.

The nature of Forest exists in the state as well as TTAADC is indicated below:-

Sl No	Nature of Forest.	Area (Sq KM.)		Remarks.
		State	TTAADC	
1	2	3	4	5
1	Reserve Forest (RF)	3588.20	3129.571	
2	Proposed Reserve Forest(PRF)	663.70	114.289	
3	Unclassified Govt.Forest(UGF)	2040.80	1966.630	
4	Protected Forest(PF)	1.60	0.754	
	Total	6294.30	5211.244	

The people residing within TTAADC area are mostly small, marginal farmers and landless jhumias. They are very much deprived of education, Health care, communication etc. It is necessary to change their living style by introducing scientific method of Forestry to ensure sustainable economic Development and also to wean them away from the conventional primitive method of shifting cultivation, which is a major cause of concern.

The following schemes have been introduced and taken up for better management and conservations of Forest within the TTAADC towards development of Tribale people residing in the Forest area and to provide them sustainable livelihood support .

1. **Anganvan Prakalpa:-** To promote plantations in private land holding various economically viable spp. Of Bamboo rhizomes, polybag seedling, Teak /Gamar stumps and polybag seedlings of other spp. are being distributed along with financial assistance for creation of plantation, to the selected beneficiaries in different places within TTAADC area. The Zonal Advisory Committee (ZAC) selects Beneficiaries. Each Zonal Advisory Committee in consultation with the Zonal Development Officer (ZDO) select a suitable village committee based on availability of land in abundance (Tilla Land) or otherwise un-arable fallow lands /wastelands in private holdings, feeling need of the people and their level of awareness.
2. **Parks and gardens:-** It aims in developing ornamental flower garden ,avenue plantation through creation of parks and gardens in the TTAADC area mainly for aesthetic values and recreation .This will promote eco-tourism and open -up a scope in earning revenue for TTAADC. Activities relating to parks & Gardens are indicated below.
 - a) Creation of flower gardens in the premises of main administrative building ,District Council Hall ,VIPs Quarters Complex .
 - b) Creation and developments of Khumulwng Park at Khumulwng.
 - c) Creation & Mtc. of avenue plantation at khumulwng H/Qtr.
 - d) Raising of flower and other avenue plant nursery at khumulwng Head Quarter.
 - e) Plant protection and Fencing.
3. **Road side and Block Plantation:-**This is a continues projects which aims at planting of ornamental and shade bearing plants on road side in rows or block for aesthetic Values and recreation .It shall enhance in developing high yielding plantation in Road side block at khumulwng TTAADC Head quarters as well as other areas within TTAADC.

Activities:-

- a) Roadside planting and raising block plantations in Khumulwng head quarter's complex and other areas within TTAADC areas.
 - b) Raising sufficient nurseries for meeting up the requirement of planting materials /seedlings.
 - c) Plant protection by providing fencing as well as plant guards.
 - d) Celebration of Vanamahatsava by way of planting seedlings.
4. **Social Forestry:-**This is a ongoing continuous schemes with the objective of aforestation in a comprehensive manner within the TTAADC areas outside reserve Forest. It has following scopes.
 - a) Planting trees of commercially viable in farmland boundaries as well as degraded private land holdings,Agroforestry in marginal and submarginal farm land .Also raising and distribution of seedlings by establishing nursery for plantation by progressive farmers.
 - b) Introduction of Mixed Forestry comprising grass, fruit bearing,fooder and fuel wood spp on waste land/ village community land for creation of shelter belt .
 - b) Raising of plantation with fast growing species for meeting up demand of the people such as firewood, constructional timber and bamboos on roadside, canal bank

,backward of rural houses as well as Govt. Forest Land other than PF & RF .

5. **Soil and moisture conservation**: - Creation of check dams, water conservation structure for conservation of soil and retention of moisture in the soil is also encouraged. people living in TTAADC areas are benefited financially through pisciculture and irrigation .Construction and mtc. of water harvesting structure under west /south/north/and Dhalai Zone are a routine activity in the forest wing of TTAADC.
- 6) **Rubber plantation**:-It is a new scheme introduced in TTAADC.Raising of nursery and distribution of Rubber seedlings at free of cost to the selected beneficiaries under west /south/north/Dhalai Zone is being made to add sustainable livelihood support and strengthen financial base of the people living in TTAADC area.
7. **Building and communication**: - This is a regular and normal scheme. The objective is to construct and maintain office building, staff quarters, approach road etc for providing accommodation to field & office staff working at various places within TTAADC area.

Activities:-Construction of Range office & Mtc. of Barrack at Khumulwng .

8. **Awariness and motivation**:-Exhibition is conducted through displaying various activities taken up and achievements made thereon to create awareness among the people. .Celebration of Vanamohatsava to make people aware about the ill effect of deforestation and motivate them about the importance of tree planting for a pollution free environment .Vanamohatsava is celebrated through planting of seedling in west/south/north and Dhalai Zone along with H/Qtr TTAADC in a befitting manner.
